About Me

Front End Developer with over 3 years of experience specializing in HTML5, CSS, JavaScript and Jquery. Demonstrated expertise in identifying and resolving complex code issues, with a proven ability to learn new languages quickly and adapt to new environments. Skilled in teamwork, communication, problem-solving, analytical thinking, and collaboration. Interested in both Front-End and Back-End development, as well as Full-Stack development. Moreover, wish to be a passionate Software Engineer in future.
